## SAMPARC ANNUAL REPORT 2019-20

### From the Desk of the Secretary

Mr. Anil Singhvi, Honourable President, and Mr. Amitkumar Banerjee, Honourable Secretary – SAMPARC Governing Council, take immense pleasure presenting SAMPARC Annual Report for the Year 2019-20.

Firstly, it is the most important to mention that SAMPARC Organization is able to Progress due to the on-time support from the Donors, Sponsors, Well-wishers, including active help from Local-level Managing Committee, General Members, Life-Members and Board of Trustees since last 30 Years.

SAMPARC - Social Action for Manpower Creation, is a Non-Profit making Public Charitable Society & Trust in India, established in the Year 1990 for the care, protection, education, and rehabilitation of orphan children, children of socially victim women, and other poor, needy disadvantaged children. Educating poor, rural, and tribal children for their overall development, skill development of rural Youth to make them employable & empowerment of rural women through capacity building and income generation are other areas where SAMPARC works with equal vigour.

SAMPARC at present is working in the States of Maharashtra, Rajasthan, West Bengal, and Uttar Pradesh. SAMPARC is running 4 Orphanages in Maharashtra, 1 in Rajasthan, and 1 in West Bengal. In Uttar Pradesh, SAMPARC is running Vocational Training Centre for School drop-outs and Community Education Support for poor rural children. Apart from this, SAMPARC is emphatically working for Community Education Program, Skill Development through Vocational Training Program and Industrial Training Program, Health-support Program, Family Counselling, and Development Program for Women. SAMPARC is also in a big way working for Tribal Development and Education Support for Tribal Children to study up to 12th Std. One of the unique programs is organizing Medical Camp for the rural poor with its partner organization. SAMPARC is imparting education through its Schools, Junior Colleges and Community Education Program to cater to its support activities for Children of Economically Poor Families of Rural & Slum Area. Noted Part of the Rural Development is Women Empowerment, where Training & Cooperative Activities for Banking, Housing is carried through Women Self-help Groups. SAMPARC is also helping poor Farmers for Agriculture Development.

SAMPARC Heritage Walk that was started in 2016 has now become an annual attraction among thousands of people in creating awareness about the Heritage Monuments in the vicinity of the SAMPARC Balgram Bhaje Project. Bhaje Caves, Karla Caves, Bedase Caves, Visapur Fort, and Lohagad Fort are the places of interest.

In Maharashtra, SAMPARC is imparting its service for care, protection, education and rehabilitation of orphan children through its 4 Orphanages - Village Bhaje, and Nandgaon near Lonavla and Village Shel-Pimpalgaon in the District of Pune and Poynad in Alibag Taluka, in Raigad district. The unique feature of these Centres is that Local Level Managing Committee People are involved in taking care of Boys & Girls living in these Orphanages.

SAMPARC Children's Home at Bhaje is a little bigger, taking care of 135 Girl Children whereas, other centres have the capacity for 50 Children each. All children are looked after by experienced, efficient, and qualified Staff of SAMPARC. Each Centre comprises of Project In-charge, Social Workers, Counsellors, House Mothers, Accountant, Store staff along with Security staff. House Mothers are like the back-bone of each House of a Centre. She lives with the Children and takes care of each child, to meet their emotional needs, food and nutrition and pays individual attention to each child.

Social Worker and Counsellor always try to see that no child is in any way depressed or hyper. Many Children are mediocre in education due to their previous background of lack of education support. As a result, Social Workers work hard along with Project In-charge, recruited Special Tutors to support all children so that each

child can develop in their education. SAMPARC provides facilities for Special Education Support Program, Extra-Curricular Activities, Spoken English, Reasoning, General Knowledge, Sports & Games, and Cultural Activities for the overall development of children. All these activities are carried out, as per the capacity, liking, and interest of the children.

A phenomenal change is observed among the Village Community Children towards improving their Education standard that is evident from their enrolling in SAMPARC Abhinav English Medium School and SAMPARC Lily English Medium School. Both are run by SAMPARC to enhance the Education Standard of the Underprivileged Village Children of the area. Children study in these English Medium Schools and are fluent in English. Most of them are First Generation in their Family to attend school.

SAMPARC Rural Community Education Support Program is another way of reaching out to the Poor, Rural, and Slum children to provide them with better opportunities in their Educational Development. SAMPARC supports such children for their Education Growth up to 12th Std. SAMPARC Shanti Onlus is working with SAMPARC Organization to extend support to the Poor Slum Children of the Tollygunge area in Kolkata. Similarly, SAMPARC Shishu Kendra extends support to 5 other Community Education Support Centres at village Mandir Bazar, Dhananjaypur, Gultia, Rahimpur, and Kashi Nagar. Altogether about 300 Children are benefitting in West Bengal. Similarly, SAMPARC is extending Education Support to Baragaon near Varanasi to about 48 Children. SAMPARC Baragaon Centre also started imparting Vocational Training Education to Rural School Dropouts.

For strengthening Education and overall Growth of the Children, SAMPARC continuously works with the Women's Self-Help Group and Women's Cooperative Bank (Pathpedi). About 6000 Women are now benefitting by strengthening their Financial Resources and Livelihood Activities. One of the Supports was extended to Bhaje Village to excavate Water Reservoir that is meeting Water-needs for daily use. Women's Counselling Centre is bridging the need of the Women by support at Family-level, Police Station, and at Court Level. Annually, 100 to 150 Ladies get help from this Program. It also deals with Alcohol addiction problems, domestic violence on Wife and Women in general, and Divorce. SAMPARC is an Official Centre of State Women's Commission, Govt. of Maharashtra.

This year we had few Volunteers at SAMPARC Projects based at Bhaje, Poynad, Chakan, Bal Asha Ghar Orphanages, and Bhambarde School from various Corporates working with the Children to help them. Similarly, Volunteers also came to Gangani Jodhpur Centre and Kolkata Shishu Kendra. In Varanasi, Local Doctors also participated in Community Service for the nearby Villages.

SAMPARC believes in Advocacy for Child Development through knowledge sharing, especially for the Rights of the Children along with other NGOs working for the Cause of Children. SAMPARC has developed a robust working knowledge of the Juvenile Justice Act. SAMPARC shares this knowledge on the Act and its Application in the interest of the Children. This year, it conducted knowledge sharing with Grown-up Children and Staff of the Organization to give them knowledge on Sex-education and understanding various behaviour patterns so that they learn to take care of themselves.

SAMPARC carried a demonstration of Paddy Cultivation in Bhaje, Malavli, and Bhambarde Project Area intending to share Cultivation Practices to the Grown-up Children of SAMPARC Balgram and Village Women. SAMPARC believes in reaching to the Community Level to help poor farmers to improve their Paddy Cultivation. SAMPARC is also trying to go for alternative Cultivation and had a discussion with Farmers to take up alternative Cultivation like Lemon-grass, Citronella, and Vetiver. SAMPARC plans to develop Slips / Stock of the Saplings to provide in future to the Farmers.

up an Ophthalmology unit. This year, more than 10,000 people benefited from Medical Services. More than 1000 got support from various Camps. The Dental Unit is one of the Best Centre for the Poor People.

Education to the Girls through the Vocational Program was one of the most salient programs carried out by SAMPARC with the Help of CSR and Foundation. SAMPARC believes that both Boys' & Girls' Technical Training has brought lots of confidence among the neglected Youth. They get the opportunity for Training in Electrician, Welding, Wireman, Fitter, Computer, Tailoring, Cookery, and Beautician Courses. After training the students are receiving employment in nearby MIDC Industries, Hotels in Lonavala or are self-employed and are supporting their families.

One of our Projects is carried out for the Development of Kathkari Tribal Families and Education of the Tribal children up to 12th Std in Mulshi Taluka. To develop the Project, SAMPARC has made 3 Cluster Units where independent groups are working for developing Tribal Families. The Total Target is 1040 Families belonging to Kathkari Community. Children of the Kathkari Families are supported at their Villages to attend School and admitted to the SAMPARC Bhambarde School & Hostel. Working with these Communities, SAMPARC initiated with improving Sanitation, Hygiene, and Cleanliness, getting them involved in Livelihood Activities and enhancing their Cultural Values. SAMPARC also took up Medical Support with the Families.

SAMPARC has worked at the Community Level in Mulshi Taluka for enhancing Sports Activities. In Mulshi Taluka SAMPARC is working in the very remote parts to support Women's Group of other Community to take up Livelihood Activities by developing Tailoring & Production.

We have installed Solar Supported Systems in SAMPARC Projects at Bhaje, Bhambarde, Malavli, and Shel-Pimpalgaon and also at Bhambarde Village.

SAMPARC Bhaje Centre has successfully excavated the Well which is now meeting the Drinking Water. But still, it needs to go further deep but we could not go further deep because of nearby Heritage Monuments.

SAMPARC is deeply involved with the all Senior Children passing out 10th and 12th Std for their Future Education. A total of 130 such Grown-up Children of different SAMPARC Orphanages are now supported by SAMPARC Organization for their Higher Education which includes Fooding, Accommodation, Tuition Fees, Education Stationaries, and other Financial Supports. Children go for various Technical Courses even they go ahead up to Post-graduation studies.

Overall Education of the Children is good in all Centres. SAMPARC provides detailed Progress Report of each Child to their Sponsors and Donors regularly. ## संपर्क बालग्राम : परिस्थितीने जुळून आलेला ऋणानुबंध

सन २०१९ हे साल अनेक अर्थाने आपल्या संपर्क बालग्रामसाठी विशेष होते . संस्थेने यावर्षी ३० व्या वर्षात पदार्पण केले . संस्थेची मान अभिमानाने उंचावेल असे अनेक प्रसंग संस्थेतील मुलांमुळे परिवारातील सदस्यांमुळे आले . आमच्या कुटुंबाचे प्रमुख संपर्क बालग्राम परिवाराचे लाडके 'अंकल' यांनी पुनश्च एकदा 'हेरीटेज वाक' यशस्वीरीत्या आयोजित केली आणि लोहगड विसापूर भाजे लेणी यासह सह्याद्रीच्या खोऱ्यात 'संपर्क हेरीटेज वाक' चा आवाज दुमदुमला .

२०१९ सालाला निरोप देतांना 'संपर्क हेरीटेज वाक' सर्वांच्या मनावर छाप सोडून गेला . २०२० हे साल काय घेऊन येईल याची कल्पना देखील कोणी केली नाही जे जे आज पर्यंत घडले

नाही त्या सर्व गोष्टी २०२० ने दाखवल्या . यात लोकांची झालेली दैना . . . . मरणाची भीती . . . . बेरोजगारी . . . . उपासमारी . . . . अशा अनेक गोष्टी अनुभवास आल्या . . . . तसेच संपर्क बालग्राम परिवारातील सदस्यांची जिद्द परोपकारीवृत्ती . . . . आलेल्या संकटाला परतवून लावण्याची ताकद यासर्व गोष्टी देखील अनुभवास आल्या . . . . यासर्व गोष्टींची कारण होते . . . . "कोरोना महामारी"

कोरोना महामारीमुळे साधारण फेब्रुवारी मार्च पासून संपर्क परिवारासह सर्वांच्याच जगण्यात अमुलाग्र बदल झाला . संस्थेच्या बाहेरील सदस्यांचे संस्थेत येणे बंद झाले . बालग्राम मधील सदस्यांचे बाहेर जाणे बंद झाले . आवश्यक वस्तूंची आवक जावक थांबली . संस्थेतील बालकांना दिल्या जाणाऱ्या अन्न धान्याचे काय होणार याच्या विवंचनेत असतांना अनेक हात पुढे आले आणि समाजाच्या परोपकारी वृत्तीचे दर्शन झाले .

संस्थेतील मुलांच्या व संस्थेत राहणाऱ्या तसेच संस्थेबाहेर राहणाऱ्या आमच्या कुटुंबातील सदस्यांचे आरोग्य चांगले ठेवणे हाच उद्देश उराशी बाळगून कोरोना विरुद्धची लढाई सुरु राहिली . . . . येथून पुढची परिस्थिती काय असेल याचे उत्तर कदाचित कोणाकडेच नसेल .

माझे पती व संस्थेचे लाडके 'अंकल' यांनी जिद्दीला वय रोखू शकत नाही हे दाखवून दिले . बाहेर लाखोच्या संख्येने लोक बेरोजगार होत असतांना माझ्या संपर्क परिवारातील सदस्यांची घरची चूल एक दिवस देखील बंद राहणार नाही याची काळजी घेतली . संस्थेतील मुलांच्या आरोग्याच्या शिक्षणाच्या बाबतीत कुठलीही त्रुटी राहणार नाही याची काळजी घेतली . . . . कदाचित भविष्यात कोरोनाचा नाश झालाही असेल परंतु 'अंकल' यांनी जीवावर उदार होऊन केलेले कार्य कोणीही विसरू शकणार नाही .

SAMPARC is working in village Bhaje since 1990 and is well aware of the needs of the Villagers & socio-economic development of the village. SAMPARC assessed the Water scarcity problem that villagers face every year during the summer season.

SAMPARC found a solution to widen and deepen an existing pond in the village which will help in holding more water and will be able to fulfil the water requirement of 2,600 villagers during summer.

With the support of Flextronics Technologies (I) Pvt. Ltd. SAMPARC excavated 216 cubic metres of Hard Stones and constructed a 70 m long and 6 ft. height Wall at the upper part of the perimeter of the Pond. This infrastructure has developed adequate water-storage structure at village Bhaje to facilitate the availability of water during the summer for the nearby villages of Maval Block.

This project has benefitted approximately 2600 village individuals.
