सूर्यकिरणांची झुळूक, सावलीचा आडोसा आणि प्रकाशाची शिदोरी

सौ. रत्ना अमितकुमार बॅनर्जी - संस्थापक विश्वस्त, संपर्क संस्था

“सूर्यकिरणांची झुळूक, सावलीचा आडोसा आणि प्रकाशाची शिदोरी” या तीन शब्दांत संपर्क संस्थेचा प्रवास सामावलेला आहे. १९९० मध्ये माझे पती श्री. अमितकुमार बॅनर्जी यांनी एका छोट्याशा रोपट्याला पाणी घातले आणि त्यातून आज वटवृक्ष उभा राहिला आहे. त्या वटवृक्षाच्या सावलीत असंख्य निराधार, दुःखी, विस्थापित बालकांनी आश्रय घेतला आणि आपल्या जीवनातला अंधार दूर करून प्रकाशाचा शोध घेतला. ही संस्था म्हणजे केवळ आश्रयस्थान नाही, तर मुलांच्या आयुष्यातले आईचे ममत्व, संस्कारांचा ओलावा आणि आत्मविश्वासाचा दीपस्तंभ आहे.

या प्रवासाकडे मागे वळून पाहताना मला एक विलक्षण समाधान मिळते. प्रत्येक मुलाचे बालपण इथे सुरक्षित झाले, त्यांना शिकण्याची संधी मिळाली, त्यांच्या डोळ्यांत स्वप्ने फुलली आणि त्यांच्या पायांना नवी दिशा मिळाली. या मुलांच्या चेहऱ्यावर उमटलेले हास्य हेच माझ्या आयुष्याचे खरे दागिने आहेत. संपर्क ही माझ्यासाठी नुसती संस्था नाही, तर माझ्या मातृत्वाचा विस्तार आहे. प्रत्येक बालक हा माझा स्वतःचा भाग असल्यासारखा मला वाटतो.

गेल्या महिन्यात संपर्कच्या मुलांना बेलारूस येथे सांस्कृतिक कार्यक्रमासाठी सहभागी होण्याची संधी मिळाली. परदेशी भूमीवर आपल्या भारताची संस्कृती मांडताना मुलांच्या डोळ्यांतला आत्मविश्वास आणि ओठांवरचे हसू पाहून माझे डोळे पाणावले. तो अभिमानाचा क्षण होता. त्या क्षणी माझे पती श्री. अमितकुमार बॅनर्जी यांनी रुजवलेल्या कार्याची पल्लवित झालेली फळे माझ्या डोळ्यांसमोर होती. मुलांनी केलेले ते सादरीकरण केवळ सांस्कृतिक नव्हते, तर ते भारताची ओळख, आपल्या संस्कारांचे प्रतिबिंब आणि त्यांच्या अंतःकरणात जागवलेली आत्मविश्वासाची जाणीव होती.

संपर्कच्या वाटचालीत एक नाव नेहमी माझ्या हृदयात जिवंत राहते ते म्हणजे 'खुशी' (नाव बदलले आहे). केवळ तीन वर्षांची असताना ती आपल्या दोन भावंडांसह संपर्क परिवाराचा भाग झाली. तिच्या आईने अत्यंत प्रतिकूल परिस्थितीत, कोणत्याही आधाराविना, आपल्या मुलांना वाचविण्याच्या आशेने आमच्याकडे आणले. मी सुरुवातीपासूनच पाहिले की खुशीमध्ये काहीतरी वेगळेपण आहे. तिच्या नजरेत कुतूहल होते, तिच्या बोलण्यात आत्मविश्वासाची बीजे होती. मला वाटले, या मुलीला योग्य शिक्षणाची संधी मिळाली तर ती नक्कीच काहीतरी वेगळे करू शकेल. म्हणूनच मी आमच्या इटलीच्या हितचिंतक व संपर्कच्या कुटुंबातील सदस्य लुसिला मौन्टी यांना विनंती केली. अनेक अडचणींवर मात करून मी लोणावळा येथील ऑक्सिलियम या इंग्रजी शाळेत खुशीसह संस्थेतील इतर चार मुलींना प्रवेश मिळवून दिला.

हे काम सोपे नव्हते. इंग्रजी शाळेत शिकणाऱ्या इतर मुलींसोबत वावरताना आमच्या मुलींमध्ये न्यूनगंडाची भावना होऊ नये, त्या आत्मविश्वासाने उभ्या राहाव्यात यासाठी आम्ही खूप धडपडलो. रोज सकाळी उठवणे, शाळेत रेल्वेने नेणे-आणणे, त्यांचा नाश्ता, जेवण, शिकवणी वर्ग, इंग्रजी संभाषणाचा सराव — या सर्व गोष्टी आम्ही काटेकोरपणे राबवल्या. माझ्यासाठी हा प्रवास जणू मातृत्वाचीच दुसरी कसोटी होती.

खुशीच्या प्रगतीतून माझ्या सर्व परिश्रमांचे चीज झाले. तिच्या आईच्या डोळ्यांत चमकलेले समाधानाचे आणि कृतज्ञतेचे अश्रू मला आजही आठवतात. ती छोटी मुलगी आज युरोपातील हंगेरी येथे शिक्षण, संशोधन आणि नोकरीच्या क्षेत्रात आपले स्थान निर्माण करत आहे. तिचा हा प्रवास माझ्यासाठी विलक्षण अभिमानाचा आहे.

खरं तर खुशी ही केवळ एका मुलीची कहाणी नाही, तर संपर्कच्या कार्याची साक्ष आहे. एका लहानग्या बाळापासून ते जागतिक पातळीवर उभ्या राहिलेल्या युवतीपर्यंतचा तिचा प्रवास म्हणजे संस्थेने दिलेल्या प्रेम, शिक्षण, संस्कार आणि संधीचे मूर्तिमंत रूप आहे. आणि या प्रवासात मी केलेली धडपड आज माझ्या हृदयात कायमची जपली गेली आहे.

मुलांच्या आयुष्यातील गरज फक्त अन्न-वस्त्र-निवारा एवढीच मर्यादित नसते. त्यांना हव्या असतात संधी, शिकण्याची उभारी, संवादकौशल्य, कला, क्रीडा आणि संस्कारांची शिदोरी. म्हणूनच संपर्कमध्ये आम्ही इंग्रजी संभाषण, संगीत, नृत्य, योग, संस्कार वर्ग यांवर विशेष भर दिला. प्रत्येक बालकाला केवळ जगण्यासाठी नव्हे, तर उभारीसाठी तयार करणे हेच माझे ध्येय राहिले आहे. संस्थेच्या प्रवासात माझा सहभाग नेहमीच “आई”च्या भूमिकेतून राहिला. आई आपल्या लेकराला जशी प्रत्येक पावलावर आधार देते, तशीच प्रत्येक बालकाच्या पाठीशी उभे राहण्याचा मी प्रयत्न केला.

आज संपर्क संस्था ही केवळ एक आश्रयदाते नाही, तर ती आहे आईचे ममत्व, सावलीचा आडोसा आणि भविष्यातील प्रकाशाची झुळूक. या प्रवासातील प्रत्येक यशस्वी कहाणी ही माझ्यासाठी देवाने दिलेला आशीर्वाद आहे. श्री. अमितकुमार बॅनर्जी यांनी रुजवलेले रोपटे आता जीवनदायी वटवृक्ष बनले आहे, आणि त्या वटवृक्षाच्या सावलीत फुलणाऱ्या प्रत्येक मुलाचे यश हेच माझ्या आयुष्याचे खरे समाधान आहे.

माझ्या दृष्टीने संपर्क म्हणजे प्रेम, संस्कार आणि जबाबदारी यांचा सुंदर संगम आहे. आजवरचा प्रवास पाहून मी अभिमानाने सांगू शकते की ही संस्था मुलांच्या आयुष्यातील अंधार दूर करून प्रकाशाचा दीप पेटवते. पुढेही ही वाटचाल अशीच चालू राहो, मुलांना स्वावलंबी करणे, समाजात आत्मविश्वासाने उभे करणे आणि त्यांना “निराधार” या शब्दापासून मुक्त करणे — हेच संपर्कचे आणि माझे आयुष्याचे ध्येय आहे.

मुलांच्या चेहऱ्यावर उमटलेले हास्य, त्यांच्या डोळ्यांत चमकणारी स्वप्ने आणि त्यांच्या पावलांत सामावलेली भविष्याची उभारी — हेच माझ्या आयुष्याचे खरे मनोगत आहे. खरंच, या मुलांसोबतचा प्रत्येक दिवस हा सूर्यकिरणांची झुळूक, सावलीचा आडोसा आणि प्रकाशाची शिदोरी आहे.

EDUCATION: THE STRONGER FOUNDATION

SAMPARC Community Education Program to strengthen children of underprivileged family and community proves that strengthening grassroots level approach is not just important—it is the most fundamental necessity for every child. It is the foundation that reshapes their thoughts, their way of living, and their future.

For first-generation learners, education is often a difficult path. Just as we guide our own children through homework, alphabets, mathematics, and sciences, these children too need the same care, encouragement, and patient support. At the same time, every child's potential is unique—while some excel in academics, others shine through vocational training, where skill-based learning empowers them to secure dignified placements in industries.

I extend my heartfelt gratitude to the SAMPARC Community Education Team, whose dedication has helped children become literate, confident, and competitive with their peers. Through such committed efforts, our children are not only learning—they are falling in love with learning, and blossoming into individuals ready to embrace a brighter tomorrow.

SAMPARC TRIBAL DEVELOPMENT PROJECT,

Year of Establishment: 2014

Address: Taluka Mulshi, District Pune, Maharashtra

Mobile: 9766343456

To foster socio-economic development among impoverished tribal communities in Pune district, the SAMPARC Tribal Development Project provides comprehensive support, including livelihood assistance for tribal families, educational support for their children, and help in securing essential government documents such as caste certificates, AADHAAR cards, PAN cards, and ration cards.

In addition, the project actively works to connect families with various government welfare schemes, many of which they are often unaware of.

The Tribal Development Team of 10 Social Workers works under Project In-Charge Mr. Kalpesh Rokade in 113 villages across four blocks—Mulshi, Maval, Velhe, and Bhore—in Pune district.

The entire Tribal Development activities have been supported by eClerx Services Ltd. since 2014.

EDUCATION:

During the 2024-25 period, a total of 945 children were enrolled in various educational programs. This includes 925 children enrolled in 68 Z.P. primary schools, 141 tribal children attending the SAMPARC School and hostel in Bhambarde, and 20 tribal children pursuing higher education. Among these 20 children in higher education, 9 are pursuing Graduation, 10 are enrolled in technical courses, and 1 is pursuing a healthcare course.

Under the Tribal Education Support Program, children who live with their parents—and whose families do not migrate for livelihood—are enrolled in the nearest local schools. These students are provided with all the necessary educational materials to support their learning. On the other hand, those whose parents migrate for work are admitted to the SAMPARC School & Hostel in Bhambarde, ensuring continuity in their education.

All enrolled students receive educational supplies, and the SAMPARC Team maintains regular follow-ups with school teachers to monitor each child's academic progress and attendance.

During the academic year 2024-25, the Attendance Percentage of tribal students is 84.58%.

The team also engages regularly with parents, raising awareness about the importance of education in shaping a child's future. Due to the dedicated efforts of SAMPARC team since 2014, school attendance among tribal children has significantly improved, and the dropout rate has markedly declined.

Today, tribal students are not only performing well academically but are also actively participating in sports, cultural programs, computer education, and various school competitions. This transformation is a direct result of consistent community engagement. Parents, who were once unaware of the value of education, now recognize its importance and are ensuring their children attend school regularly.

LIVELIHOOD SUPPORT:

During the 2024-25 period, as part of the Livelihood Support Program, 80 tribal families received targeted support to enhance their income-generating capabilities. Currently, the SAMPARC Team is working with 922 Katkari families—including 842 families supported in previous years and an additional 80 families assisted this year.

Focusing on skill-based livelihoods, the SAMPARC Team provided a variety of tools and equipment tailored to each family's potential, such as Pico sewing machines, popcorn machines, drilling machines, fishing boats and nets, plumbing material, welding machines, mason kits, mini shops, sewing machines, flour mills, puncture repair kits, vegetable and fruit centres, and electrician toolkits, among others.

As a result of these interventions, beneficiary families experienced an average income increase of 32.06% this year. The additional income is primarily used for household needs, significantly improving the quality of life. Beneficiaries have expressed high levels of satisfaction with the support received.

One of the most significant outcomes of this program has been a notable reduction in migration. With sustainable income sources now available, tribal families have opted to settle in their native villages. This has directly influenced the school attendance of tribal children, as fewer families are compelled to migrate, leading to a significant decrease in school dropout rates.

With continuous guidance and support of the SAMPARC Team, parents are now more invested in expanding their livelihoods and ensuring a stable future for their families, while children can continue their education without disruption.

DOCUMENTATION & LINKAGE WITH GOVT. SCHEME:

The SAMPARC Team has been actively and consistently engaging with government authorities to assist tribal families in obtaining essential documentation. These documents —such as caste certificates, AADHAAR cards, and ration cards — are crucial for accessing government welfare schemes and entitlements.

Ensuring that each tribal beneficiary has the proper documentation has been a priority for the team.

The following are details of the documentation support and the Government schemes benefits received by tribal families with the Help of SAMPARC Initiatives during the period from April 24 to March 25-

HIGHLIGHTS OF SAMPARC HEALTH CARE PROGRAM 2024-25

1. Empowering Communities Through Health Awareness and Collaboration

- **Family Planning Awareness:** The SAMPARC Medical Team has been actively involved in raising awareness about the **Family Planning Program**, especially focusing on women's health across various rural regions. The team provided invaluable education and guidance to ensure families are well-informed.
- **Antenatal and Postnatal Care:** During routine visits to remote areas, the SAMPARC Medical Team identified **two high-risk Antenatal Care (ANC)** cases and **four Postnatal Care (PNC)** cases. Prompt action was taken with the issuance of **Garodar Mata Nondni cards** to these mothers, emphasizing the critical importance of early registration and institutional deliveries. As a result, these women are now consistently attending their scheduled medical check-ups, fostering better maternal and infant health outcomes.
- **Collaboration with Aasha Workers:** The team conducted a comprehensive **training session with Aasha Workers**, strengthening community health networks and ensuring better coordination for maternal and child health services.
- **Home-Based Newborn Care (HBNC):** In partnership with the Asha Workers of **Pimpoli village**, SAMPARC facilitated **HBNC visits**, educating mothers on essential neonatal care practices, including the significance of breastfeeding and the appropriate duration for infant nutrition.

2. Celebrating Breastfeeding Awareness & Infant Health

- **World Breastfeeding Week - 5th August 2024:** In recognition of World **Breastfeeding Week**, SAMPARC organized an educational session at **Anganwadi Sadapur**. The event emphasised the importance of breastfeeding, offering expert advice on techniques and positioning. The occasion also included the joyful celebration of "**Aardha Varshik Vardhapan**", a traditional ceremony where six-month-old infants were fed kheer for the first time. As part of this initiative, the medical team conducted **growth monitoring** of infants by measuring their weight and height to assess their nutritional status. Malnutrition cases were identified, and necessary interventions were implemented. Additionally, critical information regarding **breast cancer awareness** was shared, focusing on early detection and self-examination.
- **Sahi Poshan Desh Roshan Initiative:** Aligned with the government's health initiatives, SAMPARC collaborated with the Anganwadi to promote the **Sahi Poshan Desh Roshan** campaign, emphasizing the importance of **balanced nutrition for children**. Doctors and nurses educated villagers on the nutritional benefits of seasonal, locally available foods such as **Shevga Shenga (for eye health)**, **custard apple (calcium-rich)**, and **amla (Vitamin C-rich)**.

To make the message more impactful, a Healthy Cooking Competition was held, with mothers showcasing nutritious and tasty dishes, reinforcing the message of healthy, home-cooked meals.

3. Immunization Drives for Preventive Health

- **Japanese Encephalitis (JE) Vaccination Drive:** On **21st March 2025**, SAMPARC, in collaboration with **Karla PHC**, launched its **first-ever JE vaccination camp** under the National Immunization Program. The campaign successfully immunized 219 students across Pimpoli, Taje, and Boraj villages. A subsequent drive on 24th March reached 116 students in Pathan, Devale, and Sadhapur villages, marking another key milestone in preventing childhood diseases in the region.

4. Eye Care Services:

- **Eye Camps - Medical Mobile Clinic 1:** Through its Medical Mobile Clinic 1, SAMPARC conducted eye camps in **nine selected villages**, screening a total of **843 individuals**. Of

these, **462 were identified with vision impairments. 250 patients** received free spectacles, and 95 individuals were diagnosed with cataracts. With the support of **Desai Hospital** and the **SAMPARC Medical Unit, 36 cataract surgeries** were successfully performed at no cost.

- **Eye Camps - Medical Mobile Clinic 2:** In a larger outreach effort, Medical Mobile Clinic 2 held eye camps in **18 villages**, screening **1,073 patients. 800 individuals** were provided with free spectacles, and **84 cataract cases** were detected and referred for timely surgery.

5. Addressing Anaemia: A Focus on Women's Health

- **Anaemia Camps - L&T Mobile Unit Collaboration :** SAMPARC, in partnership with the **Larsen & Toubro Public Charitable Trust Mobile Unit**, launched **anaemia camps** across **18 villages**, targeting women between the ages of **16-50**. A total of **1,600 haemoglobin (HB) tests** were conducted, and **984 women** were screened. Out of these, **167 women** were identified as anaemic and received prompt treatment and ongoing care. Remarkably, follow-up tests conducted after three months revealed that **80% of these women** successfully transitioned from an anaemic to a non-anaemic state, showcasing the program's effectiveness in improving women's health.
